You don't have any Jobs yet. Add a job to begin.

▼ P-1200 - test [Add Job](#) [Rename Project](#)
You don't have any Jobs yet. Add a job to begin.

▼ P-1202 - yhuuy [Add Job](#) [Rename Project](#)
You don't have any Jobs yet. Add a job to begin.

▼ Archives [collapse/expand all](#)

- ▼ P-1186 - C Test [Add Job](#)
 J-0101 - a (Litigation Consulting)
- ▶ P-1076 - Gladiator [Add Job](#)
- ▶ P-1194 - Test [Add Job](#)

Projects are ordered by date, but from oldest to newest.

The project number is misleading.

There are too many categories and the definition is not clear.

Search box

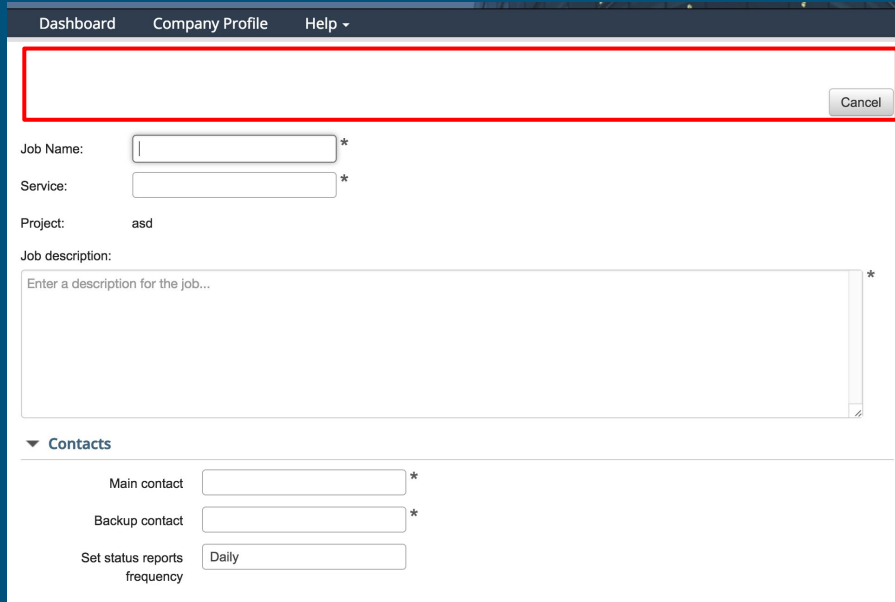

The search box is untitled

The options are not organized

Heuristics Evaluation-job posting

Lose of control - breadcrumbs

The screenshot shows a web application interface for job posting. At the top, there is a navigation bar with links for 'Dashboard', 'Company Profile', and 'Help'. Below this, a large, empty rectangular area is highlighted with a red border, indicating a missing breadcrumb trail. To the right of this area is a 'Cancel' button. Below the red box, the form contains several input fields: 'Job Name:' with a text box and an asterisk, 'Service:' with a text box and an asterisk, 'Project:' with the value 'asd', and 'Job description:' with a large text area and an asterisk. At the bottom, there is a section titled 'Contacts' with a dropdown arrow. It contains three input fields: 'Main contact' with an asterisk, 'Backup contact' with an asterisk, and 'Set status reports frequency' with the value 'Daily'.

User lose control of how the progress of job posting goes. No breadcrumbs.

Heuristics Evaluation-job posting

Bad form design

The screenshot shows a web form with several sections and design problems:

- Contacts Section:** Contains labels for 'Main contact', 'Backup contact', and 'Set status reports frequency'. A search box is present, but the dropdown menu is not clearly identified. The dropdown items are 'Chargers Seau', 'Junior Seau', and 'Admin+Barry Price'. There are small icons (a pencil and a key) next to the dropdown items.
- Bid Dates Section:** Contains four date pickers: 'Bidding ends' (10.23.2016 at 12:00), 'Bid accepted by' (10.25.2016 at 12:00), 'Target start date' (10.27.2016 at 12:00), and 'Target end date' (10.29.2016 at 12:00). Each date picker has a small calendar icon.
- Scope Section:** Contains the question 'What Consulting Services do you require?' followed by a list of services with checkboxes: 'Meet And Confer', 'Forensic Investigation', 'Tape Restoration', 'Data Collection', 'Printing, Scanning', 'Electronic Stored Information', 'Information Governance', 'Expert', 'Data Mapping', 'Early Case Assessment', 'Coding', and 'Hosted Review'.

Single choice should be radio button.

The information required is too much.

Information can be grouped in different tabs.

The drop-down box is not clearly identified.

Check box is too small.

[Reply](#)

The discussion board is antiquated and bulky.

A more real-time communication could be incorporated.
